Presented by
**The Rev'd. Canon
Timothy M. Dombek**

The Rev'd Canon Timothy M. Dombek serves as Canon to the Ordinary for the Episcopal Diocese of Arizona. His responsibilities include transition ministry for congregations and clergy in AZ, congregational development, particularly his work as a facilitator for participatory strategic plans for congregations and organizations within the diocese, and stewardship education for clergy and lay leaders. In 2008, Canon Dombek created Stewardship University, a one day program that educates and inspires clergy and lay leaders with a new way of looking at stewardship and going about it in our congregations. In the last two years, he has been invited to offer Stewardship University in four other dioceses across the country and in Evangelical, Lutheran and United Methodist gatherings.
