# IT'S TIME FOR A ROAD TRIP

WE CAN HELP MAKE  
YOUR LIFE BETTER AND  
THE JOURNEY MORE  
ENJOYABLE.

We can explore new places and expose ourselves to fresh experiences. Each community, city and state promise new adventures to expand our horizons and fill us with new ideas. Before you depart, consider bringing us along for the journey.

We can guide you to some new ideas that will help make your life, your trip and your memories better and sweeter. As we take in new territories on our road trip, we will discover wonderful places, people and ideas right there before us.

WE ARE HERE TO HELP YOU  
PLAN A BETTER FUTURE  
FOR YOU AND FOR OTHERS.

**TWO BENEFITS IN ONE** — With our charitable gift annuity, you can experience two benefits: fixed payments for life and significant tax benefits. Ask us how a gift annuity is the perfect destination for multiple benefits.

**SMART VIEW** — A charitable remainder trust will give you a mountaintop experience. When you see how it can take stocks you have held for a while and convert them to payments to you, with capital gains and income tax benefits, you will want to visit this destination right away.

**CAREFREE LIVING** — You will find life's cares melt away when you consider writing your will or updating your estate plans. With your plans in place, every day and every trip is a holiday.

Each of the above destinations offer its own unique features and benefits. Visit them all or choose one that works best for you.

Below is our handy travel guide to help you plan the trip that is best for you:

With a little planning, you can visit new places that will enrich your life and give you great memories along the way. In addition to the three popular destinations above, we can tell you about some other hidden gems that, while off the beaten path, are worth considering.

Life insurance, for example, allows you to amplify a few dollars into many more while joining us in our mission. These planning tools offer breathtaking simplicity, while leaving a legacy for you that would make the Grand Canyon seem small.
